ABOUT ME

UI/UX Designer with 2.4+ year of experience designing intuitive, user-centered web and mobile interfaces. Skilled in Figma and Adobe tools, with a strong focus on usability, wireframing, and prototyping. Experienced in collaborating with cross-functional teams to translate business requirements into effective design solutions that enhance user experience.

EDUCATION

DIVINE INSTITUTE – AHMEDABAD

2023

Gained practical training in user experience design, visual design principles, and usability testing. Developed projects that focused on real-world applications, creating solutions based on user needs and behaviors. Mastered design tools like Figma, Adobe XD, and prototyping methods.

K. K. PAREKH COMMERCE COLLEGE – AMRELI

2020–2023

I hold a Bachelor of Commerce (B.Com) degree, where I developed a strong foundation in business principles, financial accounting, and analytical skills.
